WE KNOW GREEK WINE

WE INVITE YOU TO EXPERIENCE IT

WINE EXPERIENCES GUIDED BY A SOMMELIER

Greece is a really small country that has it all. Unique islands, vibrant and bustling cities, sprawling country views, beaches and mountains, delicious local cuisine and world-class wines. Greece has something for everybody and everything for anyone.

At Grape Escape we combine the love of wine with the love of travel and create wine experiences which are truly unique and memorable.

Our expert knowledge of Greece as well as our deep-rooted experience in wine ensures that all our wine tours are home grown and hand picked especially for you.

You will have the chance to visit some of the best estates and vineyards in the country and more importantly you will meet the wine makers themselves and discuss with them about their passion for the wine they produce.

Tastings at Greek wineries are an immersion into local culture. After hearing the stories, seeing the vineyards and cellars, you are rewarded with a generous tasting. By savouring the wines whilst meeting mesmerizing people, you'll be creating memories that linger a lifetime.

BESPOKE & CORPORATE

Grape Escape was also made for the wine lovers who seek a truly bespoke wine experience and want to live it perfectly and uniquely as they dreamed of it.

We are here to discuss your preferences and recommend tailor made programs especially for you that will be unforgettable throughout your life.
